

City of Genk approves cooperation with Heerlen

An independent English rendering of the relevant item in the decision list of the College of Mayor and Aldermen of Genk.

Authority	College of Mayor and Aldermen, City of Genk, Belgium
Date	12 August 2025
Decision	2025_CBS_02648 - European Urban Initiative - PULSE TWIN
Status	Approved
Source language	Dutch
Official source	raadpleeg-genk.onlinesmartcities.be - decision list of 12 August 2025

Relevant passage - independent English rendering

The decision records cooperation between the City of Genk and the City of Heerlen on a European project concerning the creation of a Social Digital Twin and a social approach to safety-related societal challenges within the European Urban Initiative.

Why this source matters

The official decision list confirms Genk's participation, its cooperation with Heerlen and the project's explicit connection to safety-related societal challenges. It is evidence of public decision-making and partnership. It does not by itself establish which technical components are already operational.

Source and privacy note

This is an independent English rendering for accessibility and is not an official translation. The Dutch decision list remains authoritative. Only item 12 has been reproduced in substance; unrelated agenda items and personal data have been omitted.
